MEETING NEWS

October 2009

**Next Meeting - Tuesday October 20
at 7:00 pm in the library**

Goals

With the 2009/10 school year now successfully underway, it's time to take a look at where council monies could be used most advantageously. The teachers and school administration will present their financial goals and "wish lists" for the upcoming school year.

EQAO Achievement Results

Principal Brackenbury will provide Council with an overview of the results of last year's Education Quality Accountability Office (EQAO) achievement results. We will hear what they mean for Agincourt and how the school is addressing any issues demonstrated in the results.

Agincourt School Budget

Our Principal will present an outline of this year's operating budget for Agincourt.

50th Anniversary Celebration

The year officially marks the 50th anniversary of Agincourt Road Public School. Council will be continuing discussions on plans to mark the occasion and we welcome all ideas and volunteers! The 50th anniversary gives us a great opportunity to celebrate our school and the wonderful community surrounding it. Let's work together to give it the fantastic commemoration it deserves!
